We are an organization of union women who want to assist graduating seniors in Louisville and the surrounding areas, who may need help with their 2023 high school prom. We want to make their night exciting and memorable by collecting dresses for teen ladies, 'after five' shoes, accessories and gift cards for the young men to rent tuxedos. We will start accepting donations from January 9th through March 1st, 2023..

To make reservations for the March 11th Prom Party or if you have questions, please call or email, Vera Newton at 502-599-3240 or email at vcn53@yahoo.com. (please put "Prom Party" in subject line)
