PRESIDENT'S MESSAGE

Congratulations to our endorsed candidates that won their respective elections! It is so important to elect education-friendly politicians because they vote on so many education-related issues—pay, class size, assessments, school funding, the list is endless. If you worked as a poll worker or a yard sign blitzer, thank you. If you made calls supporting our endorsed candidates, thank you. If you allowed us to put a yard sign in your yard, thank you. If you put a bumper sticker on your car, thank you. There were so many ways to help our endorsed candidates this season, and so many of you stepped up to the plate—thank you. Many of these endorsed candidates owe their win directly the work of our members and we won't let them forget that.

Thank you for all that you do and thank you for all that you have done in this election season.

Brent

Sick Leave Bank: THANK YOU!

Thank you to all our teachers who donated one of their sick days to the JCTA Sick Leave Bank. The Bank is again stable, safe, and secure. The Sick Leave Bank is a great opportunity for teachers to receive days when one is unable to return to work due to a serious illness or injury. Most of you probably think that you will never need to receive days from the Sick Leave Bank, but you never know when you may need help. Again, thanks to all of **you** that donated a day and helped bring the JCTA Sick Leave Bank back to life!

On a different Sick Leave Bank note: We are still looking for an ethnic minority member for the JCTA Sick Leave Bank committee. We need this committee member to be either a middle or high school member. For more information about the JCTA Sick Leave Bank, please contact Jennifer Lawson (502) 454-3400 or jennifer@jcta.org.
