4:00 – 5:30 pm

[Zoom Registration](#)

Join us as we model Restorative Practices through our *How I am Surviving NTI 2.0* Restorative Circle.

JCTA teachers will have the opportunity to work with counselors, community members, and experts as we develop practical skills to bring Restorative Practices into our virtual classrooms. This event will also provide an overview of the practices and discuss why they are imperative for our students' success.

Hear from expert Monica Evans about Restorative Practices, who will discuss how we can build a supportive community within the school and decrease disruptive behaviors in the classroom.

If you would like to submit a question for Mrs Evans to answer live please email it to Karina.mccracken@jefferson.kyschools.us
